

PRODUCT SAFETY CHART

ACCENT

Commercial Grade Disinfectant

ACCENT DISINFECTANT is a Quaternary Ammonium based germicidal disinfectant incorporating a non-ionic detergent which makes it an ideal cleaner, deodorant and disinfectant that performs efficiently in the one operation in both hot or cold, soft or hardwater.

DIRECTIONS FOR USE

Accent will destroy most common bacteria in bathrooms, showerrecesses, toilets, hotels, institutions, schools, garbage containers and kennels whilst leaving a pleasant residual odour. Effective cleaning and disinfecting can be achieved by diluting 1 part **Accent** with up to 20 parts water and applying to all surfaces with a clean mop or cloth. **Accent** is safe for all use on all surfaces unaffected by water and may also be used in septic tanks.

CAUTION: **Accent** must not be mixed with other detergent or chemicals as this may cause deactivation of the disinfectant. Use only freshly prepared solutions and discard any unused solution at the end of cleaning.

SAFETY INSTRUCTIONS:

Not regarded as "Dangerous Goods"

NEVER MIX ANY CHEMICALS

FIRST AID:

Eye: Hold eyelids open and irrigate with water for at least 15 minutes. Seek medical advice.

Inhaled: Remove to fresh air.

Skin: Remove contaminated clothing, wash affected area with soap and water.

Swallowed: Give a glass of water. Do NOT induce vomiting.

PRODUCT SAFETY CHART

ACTIV 'O'

Spray and Wipe Cleaner Concentrate

ACTIV 'O' is a concentrated spray and wipe formulation incorporating the grease cutting powers of citrus extract. **ACTIV 'O'** effectively removes greasy soils, oil, greasy dirt, soot, soap film, cigarette smoke, algae, mildew stains, cooking oils and stains and body fats.

DIRECTIONS FOR USE

Prepare the desired cleaning solution strength and apply to the surface by the most convenient means, spray, sponge, abrasive pad, mop and bucket etc. then agitate and wipe clean, or simply wipe clean.

Dilution Rates - Spray & Wipe Cleaning: 1 part to 10 parts water; Automatic Machine Scrubbing: 1 part to 60 parts water; Manual Mop Cleaning: 1 part to 40 parts water. Dilution rates may be increased where heavy dirt conditions prevail.

NOTE: When spraying on to vertical surfaces, always spray ACTIV 'O' on, working from the bottom to the top to avoid streaking the surface.

SAFETY INSTRUCTIONS:

Not regarded as "Dangerous Goods"

**NEVER MIX
ANY CHEMICALS**

FIRST AID:

Eyes: Hold eyelids open and irrigate with water for at least 15 minutes. Seek medical advice.

Skin: Remove contaminated clothing, wash affected area with soap and water.

Swallowed: Give a glass of water. Do NOT induce vomiting. Seek medical advice.

Inhaled: Rinse mouth and nasal passage with water.

PRODUCT SAFETY CHART

ACTIV SHIFT

Heavy Duty Cleaner-Degreaser

ACTIV SHIFT is a highly alkaline cleaner degreaser formulated from our patented POSITIVE EMULSION TECHNOLOGY for heavy duty degreasing and cleaning in industrial sites. Extremely efficient in the cleaning of oils and grease from concrete floors and ferrous metals, through automatic equipment. Eg. Steam cleaners, pressure washers or manual cleaning. **ACTIV SHIFT** is biodegradable.

DIRECTIONS FOR USE

Steam Cleaning: To the concentrate solution tank, mix between 10-35 parts water. Adjust the solution tank valve to obtain amount of cleaner required for different soil conditions.

Pressure Washers: Prepare solution and apply by spray to surface. 1 part to 20 parts dilution with water for normal cleaning.

Manual Cleaning: Dilute 1 part to 20 parts water. Apply to floor. Allow to soak 3-5 minutes. Agitate and pick-up slurry. Ifuse is required through automatic floor scrubbers use auto scrub grade, which has been defoamed to prevent foam build up in the vacuum motors.

SAFETY INSTRUCTIONS:

This product is strongly alkaline. Read the safety directions of label before using.

NEVER MIX ANY CHEMICALS

FIRST AID:

Eye: Hold eyelids open and irrigate with water for at least 15 minutes. Seek medical advice.

Inhaled: Rinse mouth and nasal passage with water. Remove to fresh air.

Skin: Remove contaminated clothing (launder before re-use), wash affected area with soap and water. If irritation redness, swelling or skin burns occur, see a doctor.

Swallowed: Immediately rinse mouth with water. Give a glass of water. Do NOT induce vomiting. Seek medical advice.
