

## PRODUCT INFORMATION SHEET

### DESCRIPTION:

**LEMON-AIRE** Commercial Grade Disinfectant and Reodorant is a general-purpose disinfectant, detergent and reodorant of unique formulation and exceptional performance. Once diluted **LEMON-AIRE** will, in one application perform four important functions:

Cleans – A blend of highly active surfactants for all cleaning tasks.

Deodorises – An effective deodorant capable of destroying odours caused by bacterial decomposition.

Reodorises – A genuine reodorant because after use it leaves behind a delicate persistent perfume which is clean, fresh and persistently refreshing.

Disinfects – A Commercial Grade Disinfectant at 1:40.

### FEATURES AND BENEFITS:

- An efficient, yet safe, general purpose detergent with good wetting and emulsifying properties, in addition to removing general soils from surfaces, the detergent action of **LEMON-AIRE** plays an important role in quickly breaking up bacteria-laden physical soils
- Safe to use on a wide variety of surfaces. Safe to use in septic tanks
- Re-odorises atmosphere with a pleasant highly persistent refreshing aroma
- Concentrated for economical use and ensures excellent in-use economy because of its ability to provide complete cleaning and deodorising in one application.
