

WOOL WASH *Woolens Laundry Detergent*

PRODUCT INFORMATION SHEET

DESCRIPTION:

WOOL WASH Liquid Detergent for Woolen Garments & Delicates specifically formulated for washing woolen garments and delicate items that need extra care. It contains specially chosen mild surfactants and water softening agents. Wool Wash contains eucalyptus oil to aid soil removal and leave your laundered items clean with a fresh fragrance.

WOOL WASH is ideal for babies wear, bath towels, terry toweling and washable blankets. Ideal results are also achieved when used for washing eiderdowns, sleeping bags, quilts and sheepskins.

FEATURES AND BENEFITS:

- Specially formulated for those garments that need that extra care.
- Contains eucalyptus oil to aid soil removal.
- Leaves laundered items clean with a fresh fragrance.

Appearance	Pale Straw to Amber clear viscous liquid
Odour	Eucalyptus
pH	7.5-8.5
Specific Gravity	1.003 +/- 0.01
Solubility in Water	Completely miscible

USE:

Hand Washing: Add ¼ cup to a basin or bowl of water and mix well, gently squeeze garment. Soak for 5 minutes. Remember to support the garment so that it will not stretch under its own weight. Remove excess moisture with towel or spin dry if label allows. Dry according to manufacturer's instructions.

Machine Washing: Use wool cycle or shorten regular cycle to 2 minutes. Check garment to ensure it is labelled "Machine Washable". Use ½ cup per wash. Dry according to manufacturer's instructions.

Note: Always following washing instructions on garments. Hand wash garment unless clearly marked as machine washable. Garments labelled "Dry Clean Only" should NOT be washed.

SAFETY: Causes skin irritation. Causes serious eye irritation

Keep out of reach of children. Read label before use. Wash hands, face and all exposed skin thoroughly after handling. Wear protective clothing, gloves and eye/face protection.
