

LAMINATE FLOOR CLEANER

PRODUCT INFORMATION SHEET

DESCRIPTION:

LAMINATE FLOOR CLEANER – is specifically designed for cleaning laminated, engineered, hardwood and any high lustre flooring that will highlight any imperfections or dirt.

LAMINATE FLOOR CLEANER contains a powerful surfactant that removes soils rapidly while leaving a streak free finish. It is the ideal product for everyday use and as a neutral cleaner, it will not have any detrimental effect on laminated floors.

FEATURES AND BENEFITS:

- Water based non-rinse formula.
- Economical in use
- Ready – to – use

TECHNICAL INFORMATION:

Appearance	Clear blue liquid
