

ACTIV SHIFT Heavy Duty Cleaner- Degreaser

PRODUCT INFORMATION SHEET

DESCRIPTION:

ACTIV SHIFT is a highly alkaline cleaner degreaser formulated from our patented POSITIVE EMULSION TECHNOLOGY for heavy duty degreasing and cleaning in industrial sites.

ACTIV SHIFT is extremely efficient in the cleaning of oils and grease from concrete floors and ferrous metals, through automatic equipment. E.g. steam cleaners, pressure washers or manual cleaning.

ACTIV SHIFT is biodegradable.

FEATURES AND BENEFITS:

- Highly alkaline cleaner degreaser for heavy duty degreasing and cleaning in industrial sites.
- Extremely efficient in cleaning oils and grease from concrete floors and ferrous metals
- Biodegradable cleaner

TECHNICAL INFORMATION:

Appearance	Clear orange liquid
Odour	Detergent
pH	> 12.5
Specific Gravity	1.063 - 1.072
Solubility in Water	Miscible

USE:

Steam Cleaning: To the concentrate solution tank dilute 1 part to 10 – 35 parts water. Adjust the solution tank valve to obtain amount of cleaner required for different soil conditions.

Pressure Washers: For heavy duty cleaning prepare solution and apply by spray to surface. 1 part to 20 parts dilution with water.

Soak Tank Ultrasonic: This product can be diluted at 1 part to 20 parts water.

Manual and Auto Scrubber Cleaning: Dilute 1 part to 40 parts water. Apply to floor. For heavier buildup allow to soak 3 – 5 minutes, agitate and pick up slurry. If use is required through Automatic Floor Scrubbers use **ACTIV SHIFT Low Foam Auto Scrub Grade**, which has been defoamed to prevent foam build up in vacuum motors.

Dilutions up to 1 part to 120 parts water can be used in lightly soiled conditions. In heavier soiled conditions stronger dilutions may be used.

APPROVALS: AQIS APPROVED

IMPORTANT WHEN USED IN FOOD ESTABLISHMENTS RINSE ALL RESIDUES WITH POTABLE WATER!

WARNING: This substance is caustic – avoid contact with skin and eyes.

SAFETY: May be corrosive to metals. Causes severe skin burns and eye damage.

Keep out of reach of children. Read label before use. Keep only in original container. Do not breathe dust, fume, gas, mist, vapours or spray. Wash hands, face and all exposed skin thoroughly after handling. Avoid release to the environment. Wear protective clothing, gloves and eye/face protection.
