

PRODUCT INFORMATION SHEET

DESCRIPTION:

Q-FAST has been developed with small to medium automatic dish washers in mind.

Each **Q-FAST** tablet will effectively clean dishes, glassware and cutlery while lasting up to 30 washes. Its break through formulation contains highly effective rinse aid also prevents calcium build up while washing to minimise the need for descaling.

FEATURES AND BENEFITS:

- One tablet lasts up to 30 washes
- For commercial dish washing machines
- Cleans and degreases dishes, glass ware and cutlery
- Inhibits build up of calcium deposits

TECHNICAL INFORMATION:

Appearance	White Tablet
Odour	Characteristic
pH	11 - 12 (10%)

USE:

Insert tablet into wash tank area, the tablets will last approximately 30 washes, or up to 15 after dissolved. Replace tablet. High tank temperatures can reduce the amount of washes each tablet will last.
