

SUPER CONC ALKA

Concentrated Alkaline Pre-Wash Break

PRODUCT INFORMATION SHEET

DESCRIPTION:

For industrial use only. Super Conc Alka is part of the Super Conc laundry range designed to deliver unparalleled economy through concentration and performance. Super Conc Alka delivers alkalinity to the wash, to open up fibres and release soils from fabric.

Use through automatic metering equipment into industrial and institutional laundry washing machines. Use in position L1.

FEATURES AND BENEFITS:

- Super concentrated for greater economy
- Small pack size for reduced OH&S issues with lifting and storage
- Opens up fabric and assists in soil release
- Ideal for use through automatic dispensing equipment
- Will not harm laundry machines
- Easily rinsed from fabric
