

TUFF WASH *Heavy Duty Hand Cleaner*

PRODUCT INFORMATION SHEET

DESCRIPTION:

Tuff Wash is a medium viscosity natural soap based hand cleaner containing orange oil to assist in removing stubborn soils from hands.

Tuff Wash is a waterless hand cleaner containing synthetic grit for the removal of oils, grease, paints and soils from the hands and arms. It will effectively remove heavy soils and greasy deposits from skin, including ground in grime and can be either wiped from hands with a clean cloth or rinsed with potable water.

Tuff Wash may be applied by commonly available dispensing equipment, Cleans fast, and then leaves a pleasant citrus fragrance on hands.

Tuff Wash is supplied in common pack sizes, as well as a convenient 500ml pump pack.

FEATURES AND BENEFITS:

- Waterless hand cleaner.
- Citrus based solvents.
- Inert abrasive for improved soil removal.
- Emollients offer softer, smoother finish.
- Natural soap base for extra mildness
- Easily applied through common dispensing equipment.
