

ecosol POWER

Dish- and glass washer machines

Product name: *ecosol POWER*
Product range: *kitchenHYGIENE*

Product description:

Liquid, highly concentrated detergent for dishes and glassware. Component of the innovative, NTA-, EDTA- and phosphate-free "green efficiency" concept.

Packaging unit:

4 x 4 kg cartridge

Art.-No. 4220101119

pH value:

alkaline

Field of application | use:

Detergent for professional dishwashers and glassware washing machines. Extremely economical. Usable up to a water hardness at 20° dH.

Dosage:

Dosage is carried out exclusively by the HAGLEITNER integral 4PRO or integral 4PLUS dispenser. Installation and adjustment is done by a trained HAGLEITNER technical consultant.

Safety information:

The usual protective measures for handling chemicals must be observed. Always read product Labelling before use. Keep away from children.

Storage:

Keep container closed. For quality reasons store in a dry place and at room temperature (min. 8 °C).

Product recommendation:

Optimal in combination with ecosol BRITE N or ecosol BRITE S gloss dryers by HAGLEITNER.

Outer carton:

1 carton

Euro pallet:

36 cartons

Selling unit:

Carton
