

ECO Aid ALL PURPOSE

General cleaning of all hard surfaces

PRODUCT INFORMATION SHEET

DESCRIPTION:

An environmentally responsible technology for general cleaning.

ECO Aid ALL PURPOSE CLEANER removes grease, dirt, food and soap scum on all surfaces. The pH balanced formula will not damage the surface like other high alkaline general cleaners can, while the anti re-depositing agent leaves a soil-resistant film. Ecoaid All Purpose Cleaner contains a natural acid with sanitising properties for superior cleaning performance in kitchen areas.

Ecoaid All Purpose Cleaner is **independently certified green and** formulated and packaged in a super concentrated format to maximise cost savings and minimise environmental impact: less water transported, less chemical used, less land fill, less plastic, and less carbon emissions!

FEATURES AND BENEFITS:

- Breaks down and encapsulates grease and dirt
- Soil resistant
- Powerful sanitizer
- Deodorises as it cleans

TECHNICAL INFORMATION:

Appearance	Navy blue free flowing liquid
Odour	Fougere/ Woody/ Amber
pH	7.5 – 8.5 Concentrate 6.5 – 7.5 Diluted
Specific gravity	0.98 – 1.08
VOC content	None
Degradability of ingredients	Biodegradable
Septic systems	Septic Safe

DIRECTIONS FOR USE:

For general use, dilute 30ml in 750ml of water. For heavy duty cleaning, dilute 60ml in 750ml of water. For mop and bucket cleaning, dilute 20ml in 5L of water.
