

TYRE REJUVENATOR

Silicone Free Tyre and Rubber Dressing

PRODUCT INFORMATION SHEET

DESCRIPTION:

Tyre Rejuvenator is a silicone free tyre dressing designed to provide a high gloss finish on all rubber surfaces.

Tyre Rejuvenator is a low viscosity, low odour fluid for easy application by brush or spray, providing a long life shine when used as a final dressing for all indoor showroom vehicle tyres.

Tyre Rejuvenator is fully biodegradable, washes off with water, and will not affect the foaming properties of car washes.

Tyre Rejuvenator being silicone free, is ideal for use in the final detail of vehicles after repair, as it eliminates the risk of silicone entering the panel shop and affecting paint finishes.

Tyre Rejuvenator is safe to use on all surfaces and will not stain paintwork.

FEATURES AND BENEFITS:

- High gloss finish
- Silicone free to eliminate risks in paint finishing operations
- Low viscosity for easy application by spray
- Water soluble for easy clean up
- Low odour
- Does not affect foam properties of car washes

TECHNICAL INFORMATION:

Appearance	Clear colorless slightly viscous fluid with characteristic odour
Odour	Slight alcohol
pH	6-7
Percentage Volatiles	70
Solubility in Water	Completely Miscible

USE:

Use Tyre Rejuvenator as received for best results in coverage and shine. Simply spray brush or wipe on to all rubber surfaces to gain a high gloss finish. Excess material may be simply wiped off with a wet cloth.

Tyre Rejuvenator is safe on hands.

Do not spray near hot engines or naked flames as combustion may occur.

SAFETY: Flammable liquid and vapour.

Keep out of reach of children. Read label before use. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical, ventilating, lighting and all other equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wear protective clothing, gloves and eye/face protection.
